IN THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1.   (Previously Amended) A method for enabling interactive access to and verification of agent commission information using a data processor, said method comprising the steps of:

receiving agent identifying information and agent commission information, wherein said agent identifying information comprises at least one selected from the group consisting of a name, an address, and a telephone number;

analyzing and sorting the received agent identifying information and agent commission information;

saving the agent identifying information and the agent commission information;

providing an interactive display of the agent identifying information and the agent commission information;

providing interactive access to a display of detailed agent identifying information; and

providing interactive access to a display of detailed agent commission information.

2.   (Previously Amended) The method of claim 1, wherein said agent identifying information further comprises:

a writing code

3.   (Original) The method of claim 2, wherein said detailed agent commission information comprises:

policy information; and

commission detail information.
